

⊛ find the time ⊛

The time to read,  
to smell the flowers,  
to paint YOUR dreams,  
to have coffee with a friend,  
to learn a new craft,  
to write a letter,  
to bake a surprise cake,  
to go somewhere special,  
to REALLY be with the person you  
love,  
OR even to do nothing for a  
while...
